Public Consultation – Response

Proposed Variation no. 2 to the Cork City Development Plan 2022-2028

Dear Sir/Madam,

The Transport and Mobility Forum, Cork (TMF) is a representative group of organisations who have a common interest in sustainable travel *. The TMF fully supports sustainable modes of travel measures and policies. Sustainable and Active Travel (walking and cycling) helps reduce congestion on roads, improve air quality, supports a low carbon economy, reduces noise pollution and improves public health.

As such it is the TMF's aim to support the UN's Sustainable Development Goals, in particular SDG 3 (Good Health and Well-Being), SDG 11 (Sustainable Cities and Communities) and SDG 13 (Climate Action).

General Considerations
